My Dear Niece, your announcement was received in due time. We were much surprised. You surely know how to keep a Secret. Wish you much happiness, Temporally, Physically and Spiritually.

Trust you have a Grand husband & Companion. and may he be to you, what you have been to your people. One upon whom to lean.

May I ask a reply from you or both?

How is Mabel? we do not hear from any of you any more. There are only two of us this week. Harold & myself. Ava has gone on a short vacation to Toledo & Detroit Grace has been in Detroit nearly all vacation.

She will be home the last of this week.
and Mother is in Galion where she spends
the summers. We are almost in the
country. Have a new house on a hill.
It's Pasadena ave.. in the direction of Pasadena.
That is a lovely place, and I did enjoy the
stay in Los Angeles too, and now that
a number of relatives live there, I would
enjoy it still more, could I have the privilege
again. How is Ella Seibel. Her Sister
Emma Garhart visited us in July.
The Longey's in Los Angeles are Pa Swartz's
children & grandchildren. Sarah Schwartz
his daughter, is there too.
Wish you might meet them.
Hoping this missive may visit you on
your first "At home day"
I remain as ever
Your affectionate aunt Lue
